CLIENT TESTIMONIAL

Maria Carmen Gomez, Client

Dear Miss Campbell,

Irina came to me at a time I was ready to give up on your firm. She is extremely pleasant, courteous, patient, and understanding. She helped me understand all the litigations in my case in a way that I could understand! If it wasn't for her I would have left the firm in spite of how close we were to the end. She is truly an asset — I wish you had 10 more like her!!!

In today's society, especially with courts, it's difficult to understand the lingo. Irina made it simple. She took the time to explain step by step the process and why certain things were taking longer. She was indispensable to me when I felt ignored and had no one to reassure me that things were moving forward.

I am so happy to let you know that Irina has surpassed the qualifications of her position and should be recognized for her amazing abilities. I hope this gives her the proper kudos she deserves!!!

I hope you and your family are happy and do well in the future.
